

ONE-STOP SHOP FOR ALL YOUR FEED INGREDIENTS

We are here to help.

Impextraco[®]
Optimizing feed ingredients

Impextraco develops and produces feed ingredients that protect animal health and enhance productivity. Our goal is to deliver cost efficient solutions that protect animals and optimize their performance with a focus on sustainability. We offer a high service level, by the means of local offices, door-to-door delivery and a close line to our customers. As a world-leading choline chloride producer we know the global market.
